### Fiscal Detail and Notes

This bill requires that if a second opinion is obtained by an out-of-network provider, a health insurance carrier may not apply a deductible, coinsurance or copayment greater than the deductible, coinsurance or copayment applied if the second opinion was provided in-network and the amount of any coinsurance or copayment must apply to the in-network deductible. Additional costs to the State Employee Health Plan are expected to be minor and can be absorbed within existing budgeted resources.
