Fiscal Detail and Notes

This bill includes a one-time General Fund appropriation of \$5,946,000 in fiscal year 2023-24 to the Retirement Allowance Fund within the Maine Public Employees Retirement System to pay for the unfunded actuarial liability created by permitting certain state employees who retired between July 1, 2011 and January 1, 2012 and certain teachers who retired between July 1, 2011 and July 1, 2012 to have their retirement benefits recalculated based on an early retirement reduction of 2.25% per year rather than the 6% early retirement reduction in current law. This recalculation would be effective on October 1, 2023.
