**Fiscal Detail and Notes**

The bill includes one-time General Fund appropriations to the Department of Health and Human Services of \$250,000 in fiscal year 2025-26 and \$250,000 in fiscal year 2026-27 to support the State's free health clinics.

The department suggested that the funding in this bill be moved from the 0228 - Purchased Social Services account to the 0143 - Maine Center for Disease Control and Prevention account. This change would not impact the amount of funding provided in the bill.
