

132nd MAINE LEGISLATURE

LD 124

LR 43(03)

An Act to Protect the Right to Food

Fiscal Note for Bill as Engrossed with:

C "A" (S-162)

Committee: Agriculture, Conservation and Forestry

Fiscal Note

Potential future biennium revenue increase - Other Special Revenue Funds

Fiscal Detail and Notes

The bill allows the Department of Agriculture, Conservation and Forestry to lease land in parks, historic sites, nonreserved public land and public reserved land for certain uses. Some potential leases will involve certain constitutional requirements for real estate held by the state. These leases will require legislative approval and will result in additional Other Special Revenue Funds revenue to the department.
