Fiscal Detail and Notes

This amendment deappropriates the one-time General Fund appropriation of \$100,000 in fiscal year 2025-26 included in the bill to the Maine Technology Capacity Fund and instead appropriates that same amount to the Blue Economy Task Force. The amendment also eliminates the ongoing \$500 Other Special Revenue Funds base allocation included in the bill to the Blue Economy Task Force beginning in fiscal year 2025-26 and, instead, provides a base Other Special Revenue Funds allocation of \$500 per year to the Maine Technology Capacity Fund. This amendment also removes the emergency preamble and clause. As amended, this bill has no fiscal impact.
