Fiscal Detail and Notes

This bill temporarily limits certain administrative requirements related to municipal electronic dog licensing and directs the Department of Agriculture, Conservation and Forestry to implement an alternative licensing process. The department has indicated that the duplicative requirements would necessitate additional resources. The bill includes one-time General Fund appropriations of \$104,746 in FY 2025-26 and \$838 in FY 2026-27, and Other Special Revenue Funds allocations of \$522 in FY 2025-26 and \$174 in FY 2026-27, for contracted services and associated IT costs.
