**Fiscal Detail and Notes**

This amendment eliminates the one time General Fund appropriation in the bill of \$15,000 in fiscal year 2025-26 for a summer teacher training opportunity for teachers in the State who teach or wish to teach personal finance and removes the language in the bill that requires the Department of Education to organize a summer teacher training opportunity.

As amended, this bill includes one-time General Fund appropriations of \$15,000 in fiscal year 2025-26 to the Department of Education to convene a working group to develop recommendations on increasing accessibility to personal finance education to students of all grade levels in the State.
