This amendment eliminates the one-time General Fund appropriation of \$202,500 in fiscal year 2025-26 provided to reimburse municipalities with 4,000 or more residents for 90% of the costs for system updates needed in order to provide the required information on certain housing data and reduces the ongoing General Fund appropriations by \$345,000 per year beginning in fiscal year 2025-26 provided to reimburse municipalities for the cost of preparing the required annual report.

As amended, this bill includes ongoing General Fund appropriations of \$60,000 per year beginning in fiscal year 2025-26 to the Maine Office of Community Affairs to reimburse municipalities for the cost of preparing an annual report on certain housing data. Public Law 2025, chapter 388, Part D transferred responsibility for the Housing Opportunity Program from the Department of Economic and Community Development to the Maine Office of Community Affairs.
