Fiscal Detail and Notes

This amendment reduces the General Fund appropriation in the bill by \$60,000 in fiscal year 2026-27.

As amended, this bill includes a General Fund appropriation of \$90,000 in fiscal year 2026-27 to the University of Maine System to support the first year of a 2-year Working Waterfront Infrastructure Engineer Corps Pilot Program established to provide expertise in engineering, planning and permitting to restore and protect the State's working waterfront and other vulnerable infrastructure. The University of Maine System will require an additional General Fund appropriation of \$90,000 in fiscal year 2027-28 to support the second year of the pilot program.
