The bill includes General Fund appropriations to the Department of Health and Human Services of \$87,846,400 in fiscal year 2025-26 and \$846,400 in fiscal year 2026-27 to implement the provisions within the bill.

A more recent estimate would indicate the Department will need additional one-time funding of \$8,250,000 in fiscal-year 2027-28 for technology costs related as a result of cost increases of contracts for the SNAP Error Rate Reduction System.
