ROBERT B. HUNT
Clerk

Presented by Representative McCREIGHT of Harpswell.
Cosponsored by Senator CLAXTON of Androscoggin and
Representatives: BRENNAN of Portland, CRAVEN of Lewiston, MEYER of Eliot, MILLETT
of Cape Elizabeth, STOVER of Boothbay, Senator: MOORE of Washington.

1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 34-B MRSA §15001, sub-§1-A** is enacted to read:

3 **1-A. Behavioral health needs.** "Behavioral health needs" means a wide range of
4 mental health disorders and illnesses, substance use disorder, developmental disabilities
5 and autism spectrum disorder.

6 **Sec. 2. 34-B MRSA §15001, sub-§6-A** is enacted to read:

7 **6-A. Extended stay.** "Extended stay" means a stay of a patient in a health care facility
8 that is longer than 24 hours.

9 **Sec. 3. 34-B MRSA §15001, sub-§7-A** is enacted to read:

10 **7-A. Hospital emergency department.** "Hospital emergency department" means the
11 department of a hospital responsible for the provision of medical and surgical care to
12 patients arriving at the hospital with health conditions, including illnesses and trauma,
13 requiring immediate care.

14 **Sec. 4. 34-B MRSA §15005** is enacted to read:

15 **§15005. Data collection regarding children in hospital emergency departments**

16 **1. Data collection; posted on website.** A hospital shall provide data to the department
17 in a mutually agreed upon format on the number of children with behavioral health needs
18 remaining in hospital emergency departments for extended stays, the length of the extended
19 stays and the reasons for the extended stays. The department shall post aggregated data on
20 an annual basis on a publicly accessible website without any information, including health
21 care information, that may directly identify any individual child or family.

22 **2. Coordination by department.** The department shall designate coordinators who
23 have the responsibility to facilitate the provision of appropriate services as needed for a
24 child with behavioral health needs who no longer requires medical or surgical care in a
25 hospital emergency department but requires services to address behavioral health needs in
26 another setting, including, but not limited to, a hospital or a setting in the community. The
27 coordinator shall communicate between the department, the hospital emergency
28 department and other providers of behavioral health services.

29 **3. Report.** Beginning January 1, 2023 and annually thereafter, the department shall
30 submit a report to the joint standing committee of the Legislature having jurisdiction over
31 health and human services matters that includes an annual compilation of the data collected
32 by the department pursuant to subsection 1 and any relevant actions taken by the
33 department, including by coordinators authorized in subsection 2, that affect the number of
34 children with behavioral health needs remaining in hospital emergency departments for
35 extended stays and the length of the extended stays.

36 **Sec. 5. Department of Health and Human Services to promote and improve**
37 **use of children's behavioral health program coordinators.** The Department of
38 Health and Human Services, Office of Child and Family Services shall promote and
39 improve the use of children's behavioral health program coordinators that are currently
40 designated by the department to ensure children's emotional and behavioral challenges
41 receive the most effective services in the least restrictive environment in order to assist
42 hospital emergency departments to find appropriate behavioral health placements for

1 children with behavioral health needs who no longer need medical or surgical care in a
2 hospital emergency department. The department shall submit a report, no later than
3 January 1, 2023, to the joint standing committee of the Legislature having jurisdiction over
4 health and human services matters regarding its efforts to improve the use of behavioral
5 health program coordinators to assist hospitals and children with behavioral health needs
6 as described in this section.

SUMMARY

8 This bill requires the Department of Health and Human Services to collect data on the
9 number of children with behavioral health needs remaining in hospital emergency
10 departments for extended stays, the length of the extended stays and the reasons for the
11 extended stays and post the data annually on a publicly accessible website without any
12 information, including health care information, that may directly identify any individual
13 child or family. The department is required to submit a report to the joint standing
14 committee of the Legislature having jurisdiction over health and human services matters
15 with annual data and any department efforts to reduce the number of children and lengths
16 of stay. The department is also required to promote and improve the use of the current
17 children's behavioral health program coordinators within the Office of Child and Family
18 Services to assist hospitals to place children in more appropriate behavioral health settings
19 and report its efforts in a report to the joint standing committee of the Legislature having
20 jurisdiction over health and human services matters.
