1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 20-A MRSA §6310** is enacted to read:

3 **§6310. Access to condoms for students grades 9 to 12**

4 A school subject to this section shall provide access to condoms free of charge to all
5 its students enrolled in grades 9 to 12.

6 **1. Schools required to provide access to condoms.** A school is subject to this section
7 if that school serves students in grades 9 to 12 and is either:

8 A. A public school; or

9 B. A private school approved for receipt of public funds for tuition purposes and at
10 least 60% of the students it serves are publicly funded students.

11 A school that meets the criteria of this subsection and also serves students in grades lower
12 than grade 9 is subject to this section but may only provide access to condoms to students
13 who are enrolled in grades 9 to 12.

14 **2. Administration of condoms by nurse only; location.** Condoms may be
15 administered pursuant to this section only in the school nurse's office by the school nurse.
16 A school administrator, teacher, other faculty member or volunteer may not administer
17 condoms to students.

18 **3. Latex allergies.** Before administering condoms pursuant to this section, schools
19 shall consider and plan for the contingency of a student with an allergy to latex.

20 **SUMMARY**

21 This bill requires that schools provide access to condoms free of charge to all students
22 enrolled in grades 9 to 12. A school is subject to this provision if the school serves students
23 in grades 9 to 12 and is a public school or a private school approved for receipt of public
24 funds for tuition purposes and at least 60% of the students it serves are publicly funded
25 students. Condoms may be administered only in the nurse's office by the school nurse.
26 Before administering condoms to students, a school is required to plan for the contingency
27 of a student with an allergy to latex.
