SUMMARY

This bill repeals the provisions of law that apply or refer to state-run facilities for persons with intellectual disabilities, including laws that allow for voluntary admission, involuntary admission and judicial commitment of persons with intellectual disabilities to state-run facilities. The State closed the last of its facilities for persons with intellectual disabilities in response to the 1994 community consent decree, Consumer Advisory Board et al. v. Glover, 989 F.2d 65, 68 (1st Cir. 1993).
