10 **SUMMARY**

11 Current law provides that the obligation of a public employer and a bargaining agent
12 to bargain collectively includes their mutual obligation to meet within 10 days after receipt
13 of written notice from the other party requesting a meeting for collective bargaining
14 purposes, as long as the parties have not otherwise agreed in a prior written contract. This
15 bill removes the exception for the case in which the parties have otherwise agreed in a prior
16 written contract.
