16 **Sec. 4. 20-A MRSA §4730** is enacted to read:

17 **§4730. Capstone program**

18 A school administrative unit operating a secondary school shall establish a capstone
19 program. The capstone program must require each student to complete a capstone
20 project. The capstone project must be developed by a student and must require the
21 student to identify a problem, develop a solution to that problem and share that solution
22 with the community. The capstone program must require a student to communicate
23 effectively orally and in writing, think critically, access information from a variety of
24 sources and express ideas creatively.

25 **SUMMARY**

26 This bill requires all high school students to complete a capstone project in which the
27 student must identify a problem, develop a solution to that problem and share that
28 solution with the community.
