Resolve, To Reduce Stigma Regarding Substance Use Disorder by Requiring the Use of Respectful Language in the MaineCare Benefits Manual and Other Department of Health and Human Services Publications

Received by the Clerk of the House on February 17, 2021. Referred to the Committee on Health and Human Services pursuant to Joint Rule 308.2 and ordered printed pursuant to Joint Rule 401.

Sec. 1. Department of Health and Human Services publication review.
Resolved: That the Department of Health and Human Services shall review the MaineCare Benefits Manual and other department publications and replace references to "substance abuse" with "substance use disorder" and shall ensure that language relating to persons with substance use disorder is consistent with respectful, "person first" language.

SUMMARY
This resolve directs the Department of Health and Human Services to review the MaineCare Benefits Manual and other department publications and replace references to "substance abuse" with "substance use disorder" and to ensure that language relating to persons with substance use disorder is consistent with respectful, "person first" language.
