1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 28-A MRSA §1358** is enacted to read:

3 **§1358. Home distillery establishments**

4 **1. Definitions.** For purposes of this section, the following terms have the following  
5 meanings.

6 A. "Home distillery" means a distillery located in a dwelling or on property connected  
7 with a dwelling, including, but not limited to, a shed, yard or enclosure. For purposes  
8 of this paragraph, "dwelling" means a residential structure, including, but not limited  
9 to, a house, individual condominium unit, mobile home or trailer, if it is used as a  
10 residence.

11 B. "Mash capacity" means the volume of a mash tun, which is the vessel used to mix  
12 crushed grains and water to begin the brewing process.

13 C. "Proof gallon" means one liquid gallon of spirits that is 50% alcohol at 60 degrees  
14 Fahrenheit.

15 **2. Personal use allowed.** Notwithstanding chapter 83, the owner of a home distillery  
16 may produce distilled spirits solely for personal use, including, but not limited to, personal  
17 consumption, serving the product to the owner's family members and guests to be  
18 consumed on the premises where the home distillery is located or shipping the product to  
19 the owner's family members and friends.

20 **3. Prohibitions.** The owner of a home distillery may not:

21 A. Have on the premises of the home distillery stills or distilling apparatuses that have  
22 a mash capacity of more than 15.5 gallons;

23 B. Produce more than 24 proof gallons of distilled spirits per person 21 years of age  
24 or older residing on the premises where the home distillery is located in a calendar  
25 year;

26 C. Produce more than 48 proof gallons in a calendar year; or

27 D. Sell or offer for sale any spirits produced in the home distillery.

28 **4. Violation.** Violation of this section is a Class E crime.

29 **SUMMARY**

30 This bill allows the owner of a home distillery to produce distilled spirits solely for  
31 personal use, including, but not limited to, personal consumption, serving the product to  
32 the owner's family members and guests to be consumed on the premises where the home  
33 distillery is located or shipping the product to the owner's family members and friends.

34 The bill prohibits the owner of a home distillery from having on the premises stills or  
35 distilling apparatuses that have a mash capacity of more than 15.5 gallons; producing more  
36 than 24 gallons of distilled spirits per person 21 years of age or older residing on the  
37 premises where the home distillery is located in a calendar year; producing more than 48  
38 gallons in a calendar year; or selling or offering for sale any spirits produced in the home  
39 distillery. The bill specifies that a violation of these provisions is a Class E crime.
