## 29 SUMMARY

30 This bill amends the laws governing the Controlled Substances Prescription  
31 Monitoring Program. It changes the definition of "prescriber" to mean a licensed health  
32 care professional or veterinarian with prescriptive authority, including a licensed health  
33 care professional or veterinarian who uses telehealth in providing health care to prescribe  
34 controlled substances to patients located in this State; removes the itemized list of required  
35 information to be reported to the program and provides the Department of Health and  
36 Human Services authority to specify and determine this information by rule; extends the  
37 annual reporting deadline from January 15th annually to April 15th annually; and repeals  
38 the one-time rule-making authorization and exception from 2017.
