18 **SUMMARY**

19 Under current law, the Department of Education is authorized to pay on behalf of a
20 school administrative unit allowable school-based costs that represent the school
21 administrative unit's portion of MaineCare payments. Current law also provides that the
22 department may then deduct that amount from the school administrative unit's state
23 subsidy. This bill changes the law to provide that the department may not deduct from a
24 school administrative unit's state subsidy such payments.
