1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 26 MRSA §600-C** is enacted to read:

3 **§600-C. Posting of wage ranges**

4 **1. Wage range disclosure requirement.** An employer that employs 10 or more
5 employees shall include a range of prospective wages in any public or Internet job posting
6 for a position of employment in the State. The wage range must reflect the employer's good
7 faith estimate of the compensation that the employer reasonably expects to pay an
8 employee filling the position at the time of posting.

9 **2. Advisory nature of posting.** A wage range posted pursuant to subsection 1 is
10 advisory and not binding on the employer. An employer acting in good faith may pay
11 compensation for a position outside of the wage range posted for the position based upon
12 factors such as market conditions or the experience or education of the employee.

13 **3. Enforcement.** The Department of Labor shall enforce this section.

14 **4. Violations.** A person that violates this section is subject to a penalty not to exceed
15 \$500.

16 **SUMMARY**

17 This bill requires an employer that employs 10 or more employees to include a wage
18 range in any job posting for a position of employment in the State. An employer acting in
19 good faith may pay an employee a wage different than the wage range based upon factors
20 such as market conditions or the experience or education of the employee.
