

## 132nd MAINE LEGISLATURE

## FIRST REGULAR SESSION-2025

**Legislative Document** 

No. 946

H.P. 611

House of Representatives, March 11, 2025

Resolve, to Increase Access to Energy Efficiency Programs by Lowincome and Moderate-income Residents

Received by the Clerk of the House on March 5, 2025. Referred to the Committee on Energy, Utilities and Technology pursuant to Joint Rule 308.2 and ordered printed pursuant to Joint Rule 401.

ROBERT B. HUNT
Clerk

Presented by Representative WARREN of Scarborough. Cosponsored by Senator TALBOT ROSS of Cumberland and Representatives: ANKELES of Brunswick, GOLEK of Harpswell, Senator: TIPPING of Penobscot. **Sec. 1. Rules relating to electric vehicle rebates. Resolved:** That the Efficiency Maine Trust shall amend its rules and modify procedures as necessary to provide that 1/2 of all electric vehicle rebates distributed annually are distributed to low-income and moderate-income residents of this State.

**Sec. 2. Rules relating to energy efficiency programs. Resolved:** That the Efficiency Maine Trust shall amend its rules and modify procedures as necessary to provide that 1/2 of all funding distributed annually through residential incentives for homeowners investing in energy efficiency and renewable energy is distributed to low-income and moderate-income residents of this State, including, but not limited to, funding for heat pumps and appliances.

11 SUMMARY

This resolve directs the Efficiency Maine Trust to amend its rules relating to electric vehicle rebates and residential incentives for homeowners investing in energy efficiency and renewable energy to provide that 1/2 of the funds distributed annually through those programs are distributed to low-income and moderate-income residents of this State.
