17 **SUMMARY**

18 This bill amends the Maine State Grant Program, which is a grant program
19 administered by the Finance Authority of Maine to award grants to Maine residents who
20 are students at postsecondary institutions of higher education in this State based on
21 financial need. Under the program, the minimum grant is \$1,000 per year.

22 This bill allows the authority, using the same need and residency criteria as for the
23 grants, to award up to an additional \$500 grant for textbooks per year.
