3 **§637. Remuneration in lieu of benefits**

4 **1. Definitions.** As used in this section, unless the context otherwise indicates, the  
5 following terms have the following meanings.

6 **A.** "Benefit" means remuneration other than salary and wages, including, but not  
7 limited to, health insurance and pensions.

9 government program.

10 **2. Prohibited actions.** An employer may not provide an employee any

16 adjudged.

17 **4. Injunction.** The Attorney General may bring an action to seek a fine under  
18 subsection 3 and may also seek an injunction to enjoin any further violations and may  
19 seek any other equitable relief available.

20 **SUMMARY**

21 This bill prohibits an employer from giving an employee remuneration in lieu of an  
22 offered benefit when by virtue of refusing that benefit the employee is eligible for and  
23 receives a publicly funded benefit, such as health insurance. The penalty for  
24 noncompliance is a civil violation for which a fine from \$500 to \$1,000 may be adjudged  
25 and appropriate equitable relief sought.
