19 SUMMARY

20 This bill amends the definition of "animal shelter" to include animal rescue and
21 applies that expanded definition to the laws dealing with animal shelters. This bill
22 repeals the definition of "warrant," as municipal warrants were repealed in Public Law
23 2009, chapter 343, section 19. The bill also transfers the responsibility for the costs of
24 maintaining seized animals from the Department of Agriculture, Conservation, and
25 Forestry to the person who seized the animals. The bill corrects an error made in 2007,
26 when the Legislature changed dog licensing and recording fees in the Maine Revised
27 Statutes, Title 7, section 3923-A but did not change a similar provision in Title 7, section
28 3942. This bill provides that small animals can be euthanized if sick or injured. This bill
29 repeals the conditional animal shelter license law that was enacted in 2013. This bill
30 clarifies that a person may not dispose of a deceased domesticated animal on public
31 property or on private property without permission from the landowner.
