18 **SUMMARY**

19 This bill makes the following changes to the laws governing the suspension of a  
20 driver's license of a person who negligently operates a motor vehicle in a manner so as to  
21 cause the death of another person.

22 1. It removes the requirement that prior to the suspension, the Secretary of State  
23 notify any family of the victim and consider written or oral statements received from the  
24 family in response to the notice.

25 2. It requires the Secretary of State to find that the person whose license is to be  
26 suspended operated a motor vehicle with criminal negligence as described in the Maine  
27 Criminal Code.

28 3. It requires the Secretary of State to find that the person whose license is to be  
29 suspended caused the death of another person and to base that finding on the definition of  
30 "causation" in the Maine Criminal Code.
