Sec. 2. School construction projects. The State Board of Education shall amend its rule Chapter 61: Rules for Major Capital School Construction Projects, Section 15 regarding administering funding for integrated, consolidated 9-16 educational facilities to allow the governing body of one high school or a regional high school together with a career and technical high school to apply for funding for a proposed school. Rules adopted to comply with this section are routine technical rules as defined in the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A.

Sec. 3. Calendar year 2024 funding. In calendar year 2024, a school administrative unit is eligible to apply for funding for both a major capital school construction project under State Board of Education rule Chapter 61: Rules for Major Capital School Construction Projects and an integrated, consolidated 9-16 educational facility under Section 15 of that rule.

Sec. 4. Stakeholder group for implementation of Maine Public School Construction Authority. The Commissioner of Education shall convene a group of qualified stakeholders for the purpose of making recommendations on how to establish and finance the Maine Public School Construction Authority, the purpose of which would be to finance elementary and secondary public school construction projects. The commissioner shall report the recommendations of the stakeholder group, including any necessary implementing legislation, to the Joint Standing Committee on Education and Cultural Affairs no later than December 6, 2023. The joint standing committee may report out legislation related to the report to the Second Regular Session of the 131st Legislature.

SUMMARY

This bill:

1. Requires the State Board of Education, in administering funding for integrated, consolidated 9-16 educational facilities, to allow the governing body of one high school or a regional high school to apply for funding for a proposed school. Current state board rules require 2 high schools or a regional high school to apply. The bill directs the board to amend its rules to be consistent with this change;
2. Allows, in calendar year 2024, a school administrative unit to be eligible to apply for funding for both a major capital school construction project and an integrated, consolidated 9-16 educational facility project; and
3. Requires the Commissioner of Education to convene a stakeholder group to develop recommendations for the establishment and financing of the Maine Public School Construction Authority. The purpose of the new authority would be to finance elementary and secondary public school construction projects. The commissioner is required to submit a report regarding the recommendations of the stakeholder group to the Joint Standing

1 Committee on Education and Cultural Affairs, which may report out legislation related to
2 the report to the Second Regular Session of the 131st Legislature.
