23 **SUMMARY**

24 This bill increases from 2 to 3 the number of children a family care provider may care  
25 for in the provider's home, not including the provider's children, before the provider is  
26 required to be certified as a family care provider. This bill also specifies that the sibling of  
27 one of the children under the care of a provider, not a child of the provider, does not count  
28 toward the limit of 3.

30 imposed pursuant to the state of emergency declared due to the pandemic related to
