## 23 SUMMARY

24 This bill directs the Department of Health and Human Services to increase the rates  
25 of reimbursement under the MaineCare Benefits Manual, rule Chapter 101: Chapters II  
26 and III, Sections 13, 17, 23, 28, 65 and 97 by 20% over the rates in June 2016 by October  
27 1, 2017.

28 The bill also makes the following changes to the laws and rules regulating alcohol  
29 and drug counselors.

30 1. It requires reimbursement under the MaineCare program for the services of a  
31 licensed clinical professional counselor at the same rate as a licensed clinical social  
32 worker.

33 2. It allows a person to qualify as a licensed alcohol and drug counselor if that person  
34 holds a certified alcohol and drug counseling certificate and completes 2,000 hours of  
35 practice in alcohol and drug counseling.

1           3. It reduces the number of hours of documented supervised practice in counseling  
2 required to qualify as a licensed alcohol and drug counselor.

3           4. It requires the Department of Professional and Financial Regulation, State Board  
4 of Alcohol and Drug Counselors to offer qualifying examinations at least once every  
5 month and conduct the examination if there is an applicant and to issue a license or  
6 certificate within 10 days of a passing examination score. It also allows an applicant to  
7 submit an application for the examination and the license at the same time.

8           5. It makes the home addresses of certified and licensed alcohol and drug counselors,  
9 certified clinical supervisors and alcohol and drug counseling aides confidential.

10          6. It reduces the required number of contact hours in continuing professional  
11 education for certified and licensed alcohol and drug counselors.
