SUMMARY

This bill increases the maximum fine that may be adjudged for a violation of the laws and rules governing pesticides from \$1,500 to \$25,000 except in a case for an unauthorized pesticide application in which the preponderance of the evidence demonstrates that the violator benefited substantially from the violation, in which case the maximum fine is \$50,000. Maximum fines for subsequent violations are increased to \$75,000 and \$150,000, respectively. 3. Provide for the restoration of affected property and replacement of vegetation as penalties for violations of the laws and rules governing pesticides in addition to monetary penalties; and
