1 **Emergency preamble. Whereas,** acts and resolves of the Legislature do not
2 become effective until 90 days after adjournment unless enacted as emergencies; and

3 **Whereas,** the Commission To Study the Effects of Ocean Acidification and Its
4 Potential Effects on Commercial Shellfish Harvested and Grown along the Maine Coast
5 is established to ensure effective coordination of the programs and scientific research
6 regarding ocean acidification and to provide policies and tools to respond to the adverse
7 effects of ocean acidification on commercially important shellfish fisheries and Maine's
8 shellfish aquaculture industry; and

9 **Whereas,** the study must be initiated before the 90-day period expires in order that
10 the study may be completed and a report submitted in time for submission to the next
11 legislative session; and

12 **Whereas,** in the judgment of the Legislature, these facts create an emergency within
13 the meaning of the Constitution of Maine and require the following legislation as
14 immediately necessary for the preservation of the public peace, health and safety; now,
15 therefore, be it

16 **Sec. 1. Commission established. Resolved:** That, notwithstanding Joint Rule
17 353, the Commission To Study the Effects of Ocean Acidification and Its Potential
18 Effects on Commercial Shellfish Harvested and Grown along the Maine Coast, referred
19 to in this resolve as "the commission," is established; and be it further

20 **Sec. 2. Commission membership. Resolved:** That the commission consists of
21 11 members appointed as follows:

- 22 1. One public member appointed by the Governor;
- 23 2. One member of the Senate appointed by the President of the Senate;
- 24 3. Two members appointed by the Speaker of the House as follows:
 - 25 A. One member of the House of Representatives; and
 - 26 B. One representative of an environmental advocacy group;
- 27 4. Six members appointed by the Commissioner of Marine Resources as follows:
 - 28 A. One aquaculturist;
 - 29 B. One person who fishes commercially;
 - 30 C. One chemical oceanographer;
 - 31 D. One physical oceanographer, marine biologist or biological oceanographer;
 - 32 E. One marine biologist or biological oceanographer; and
 - 33 F. One representative from the Department of Marine Resources; and
- 34 5. One representative from the Department of Environmental Protection appointed
35 by the Commissioner of Environmental Protection; and be it further
