25 requirements and restrictions applicable to cannabis stores pursuant to section 504 and the  
26 rules adopted pursuant to this chapter regarding the operation of cannabis stores.

27 **4. Tracking.** In accordance with the requirements of section 105, a micro cannabis  
28 facility licensee shall track:

29 A. All adult use cannabis the licensee cultivates from immature cannabis plant to the  
30 point at which the cannabis plant or the cannabis produced by the cannabis plant is  
31 delivered or transferred by the licensee to a cultivation facility, a products  
32 manufacturing facility, a testing facility, a cannabis store or another micro cannabis  
33 facility, is sold directly to a consumer or is disposed of or destroyed;

34 B. All adult use cannabis the licensee uses in the licensee's manufacturing processes  
35 from the point at which the cannabis is delivered or transferred to the micro cannabis  
36 facility, if applicable, by a cultivation facility or another micro cannabis facility to the  
37 point at which the cannabis or cannabis concentrate or an adult use cannabis product  
38 produced using the cannabis or cannabis concentrate is delivered or transferred to a  
39 products manufacturing facility, a testing facility, a cannabis store or another micro  
40 cannabis facility, is sold directly to a consumer or is disposed of or destroyed; and

41 C. All adult use cannabis and adult use cannabis products from the point at which the  
42 cannabis or cannabis products are delivered or transferred to the micro cannabis  
43 facility, if applicable, by a cultivation facility, a products manufacturing facility or  
44 another micro cannabis facility to the point at which the cannabis or cannabis products

are sold to a consumer, are delivered or transferred to a testing facility, are returned to a cultivation facility, a products manufacturing facility or another micro cannabis facility from which the cannabis or cannabis products were received or are disposed of or destroyed.

If a micro cannabis facility licensee receives a return of a cannabis plant, cannabis flower, cannabis trim or an adult use cannabis product from a cultivation facility, a products manufacturing facility, a cannabis store or another micro cannabis facility, the licensee shall track the returned cannabis plant, cannabis flower, cannabis trim or adult use cannabis product to the point at which the return is transferred to a cultivation facility, a products manufacturing facility, a testing facility, a cannabis store or another micro cannabis facility, is sold directly to a consumer or is disposed of or destroyed.

**5. Excise tax; sales tax.** Notwithstanding Title 36, chapter 723 or any other provision of law to the contrary, adult use cannabis sold by a micro cannabis facility licensee that cultivates and sells adult use cannabis pursuant to subsection 1 is not subject to the tax imposed on the sale of adult use cannabis pursuant to Title 36, chapter 723. A micro cannabis facility licensee that sells adult use cannabis and adult use cannabis products to a consumer pursuant to subsection 3 shall ensure that the tax imposed on the sale of adult use cannabis and adult use cannabis products to a consumer pursuant to Title 36, section 1811 is collected and remitted in accordance with the requirements of Title 36, Part 3 and the rules adopted pursuant to Title 36, Part 3.

**6. Rules.** The office shall adopt rules regulating the licensure and operation of micro cannabis facilities under this chapter. Rules adopted pursuant to this subsection are major substantive rules as defined in Title 5, chapter 375, subchapter 2-A.

## SUMMARY

This bill amends the Cannabis Legalization Act to establish the micro cannabis facility license, which is a new category of cannabis establishment license. A micro cannabis facility licensee may cultivate up to 1,000 square feet of plant canopy and may sell cultivated adult use cannabis subject to the same requirements and restrictions applicable to cultivation facilities; may manufacture and sell adult use cannabis and adult use cannabis products subject to the same requirements and restrictions applicable to products manufacturing facilities; and may sell adult use cannabis and adult use cannabis products to consumers subject to the same requirements and restrictions applicable to cannabis stores.

The application fee for a micro cannabis facility license is \$500 and the annual license fee is not more than \$2,500. Adult use cannabis cultivated and sold by a micro cannabis facility is not subject to the otherwise applicable excise tax on adult use cannabis. A micro cannabis facility that sells adult use cannabis and adult use cannabis products to consumers must collect and pay to the State Tax Assessor the applicable sales tax on adult use cannabis and adult use cannabis products. The Department of Administrative and Financial Services, Office of Cannabis Policy is directed to adopt major substantive rules regulating the licensure, operation and oversight of micro cannabis facilities.
