Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §12004-I, sub-§68-D is enacted to read:

68-D.

<u>Working Waterfronts</u>	<u>Working Waterfront Advisory Council</u>	<u>Not Authorized</u>	<u>12 MRSA</u> \$6043
----------------------------	--	-----------------------	--------------------------

Sec. 2. 12 MRSA §6043 is enacted to read:

§6043. Working Waterfront Advisory Council

The Working Waterfront Advisory Council, established by Title 5, section 12004-I, subsection 68-D and referred to in this section as "the council," is established to address issues facing the State's working waterfronts.

1. Membership. The Director of the Maine Office of Community Affairs, referred to in this section as "the director," shall appoint up to 15 members to the council who, to the extent possible, must represent federally recognized Indian nations, tribes or bands in the State, municipalities, nonprofit organizations, trade organizations, educational institutions, individuals and industries that represent or use working waterfronts in the State. To the extent possible, the membership of the council must reflect a geographic distribution along the coast.

In making appointments, the director shall consider and appoint residents of the State who have knowledge of problems facing working waterfronts in the State, who have experience in advocacy relating to working waterfront issues or who provide leadership in programs or activities that create and improve opportunities or spread awareness related to working waterfronts and persons that use them.

2. Term. A member's term is for 3 years. If a member is unable to complete the term, the director shall appoint a member pursuant to subsection 1 to serve out the unexpired portion of the term.

3. Officers; staff. The officers of the council are the chair and the vice-chair. The term of the officers is one year. The council shall elect a member of the council for each officer position at the first regular meeting of each year. The council is staffed by the program within the Department of Marine Resources for the conservation and development of the State's coastal resources for the public benefit.

4. Meetings. The council shall meet at least 4 times a year. It may meet at other times at the call of the chair or the director.

5. Council report. By February 1, 2026 and annually thereafter, the council shall submit a report to the joint standing committees of the Legislature having jurisdiction over economic and community development matters and marine resources matters on the status of the condition of, the current and future challenges concerning and recommendations related to working waterfronts in the State, including, but not limited to:

A. How to best use state agencies, municipal governments, working waterfront industries and citizen groups to protect and improve access to working waterfronts in the State;

B. Matters of interest to working waterfront industries and communities in the State, including, but not limited to, geographic information systems mapping and inventory, climate and resilience, preservation and access, affordable workforce housing, climate-driven relocation, water quality and ecosystems, workforce development, health care access, marine resources economy and economic development, including public-private partnerships, decarbonization and electrification and developing new working waterfronts; and

C. Information on relevant existing federal, state, municipal, educational organization and nonprofit organization data, plans, recommendations and studies that relate to working waterfronts in the State and updates on progress made in state plans that include references to working waterfronts.

After reviewing the report, the joint standing committees may report out legislation to implement any recommendations contained in the report.

6. Director report. By February 1, 2026 and annually thereafter, the director shall submit a report to the joint standing committees of the Legislature having jurisdiction over initiatives proposed by the Maine Office of Community Affairs on the status of initiatives regarding working waterfronts, including information from coalitions, task forces and engagements with municipal and tribal governments. After reviewing the report, the joint standing committees may report out legislation to implement any recommendations contained in the report.

Sec. 3. Working Waterfront Advisory Council initial membership appointments. Notwithstanding the Maine Revised Statutes, Title 12, section 6043, subsection 2, in making the initial membership appointments to the Working Waterfront Advisory Council established pursuant to Title 5, section 12004-I, subsection 68-D, the Director of the Maine Office of Community Affairs shall make the initial membership appointment terms staggered so that approximately 1/3 of the members are appointed for a term of 3 years, approximately 1/3 of the members are appointed for a term of 2 years and approximately 1/3 of the members are appointed for a term of one year.

SUMMARY

This bill creates the Working Waterfront Advisory Council to address issues affecting the State's working waterfronts and requires the council to submit a report by February 1, 2026 and annually thereafter to the joint standing committees of the Legislature having jurisdiction over economic and community development matters and marine resources matters on the status of the condition of, the current and future challenges concerning and recommendations related to working waterfronts in the State. The bill also requires the Director of the Maine Office of Community Affairs to submit a report by February 1, 2026 and annually thereafter to the joint standing committees of the Legislature having jurisdiction over initiatives proposed by the Maine Office of Community Affairs regarding working waterfronts, including information from coalitions, task forces and engagements with municipal and tribal governments.
