11 more than 25 such persons are under the supervision of one licensed adjuster or

13 "automated claims adjudication system" means a preprogrammed computer system
14 designed for the collection, data entry, calculation and final resolution of portable
15 electronic device insurance claims that:

31 information regarding its executive officers, directors and owners of outstanding voting
32 securities.

33 **Sec. 4. 24-A MRSA §1427-A, sub-§1**, as enacted by PL 2001, c. 259, §32, is

35 **1. Exemption.** An individual who applies for an adjuster or consultant license in

38 only available if the person is currently licensed in that state or if the application is
39 received within 90 days of the cancellation of the applicant's previous license and if the

1 prior state issues a certification that, at the time of cancellation, the applicant was in good
2 standing in that state, or the state's producer database records, maintained by the National
3 Association of Insurance Commissioners, its affiliates or subsidiaries or any successor
4 organization, indicate that the adjuster or consultant is or was licensed in good standing
5 for the type of license requested.

6 A resident of Canada may not be licensed as a resident adjuster pursuant to section 1411
7 and may not designate this State as the person's home state unless the person has
8 successfully passed the adjuster examination under section 1410 and has complied with
9 the requirements of section 1472, subsection 2.

10 A resident of Canada may not be licensed as a nonresident adjuster pursuant to section

14 District of Columbia and any state or territory of the United States that is the location of
15 an adjuster's principal place of residence or principal place of business and in which that
16 person is licensed to act as an adjuster.

17 **SUMMARY**

18 This bill provides that the performance of clerical activities associated with licensed
19 adjuster activities for portable electronic devices does not require an adjuster's license. It
20 requires insurance companies to notify the Superintendent of Insurance of all executive
21 officers and directors of entities owning and individuals owning 51% or more of their
22 outstanding voting securities. It clarifies the reporting standards for nonresident insurance
23 companies. It adds provisions governing the licensure of a resident of Canada as an
24 adjuster.
