Presented by Representative VACHON of Scarborough. (GOVERNOR'S BILL)

1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 26 MRSA §1221, sub-§4-B** is enacted to read:

3 **4-B. Shared cost assessment.** Notwithstanding any other provision of law to the
4 contrary, beginning January 1, 2019, employers in contribution categories 19 and 20 in
5 the table in subsection 4, paragraph B, subparagraph (2) shall pay a shared cost
6 assessment tax, referred to in this paragraph as "the shared cost assessment," to
7 supplement, and not supplant, contributions. The shared cost assessment is 15% of an
8 employer's taxable payroll for contribution category 19 and 20% of an employer's taxable
9 payroll for contribution category 20.

10 A. The shared cost assessment is due and payable at the same time and in the same
11 manner as contributions.

12 B. The Director of Unemployment Compensation shall enforce collection of any
13 shared cost assessment in the same manner as provided in this chapter for collection
14 of contributions.

15 C. Revenue generated by the shared cost assessment must be deposited in the fund.

16 **SUMMARY**

17 This bill amends the laws governing employer contributions for unemployment
18 compensation to impose an additional shared cost assessment tax on employers in
19 contribution categories 19 and 20, increasing the percentage of unemployment tax paid
20 by those employers. Beginning January 1, 2019, an employer in category 19 is assessed
21 an additional unemployment tax of 15% of that employer's taxable payroll and an
22 employer in category 20 is assessed an additional unemployment tax of 20% of that
23 employer's taxable payroll. Adding this shared cost assessment provides benefit costs
24 beyond the normal experience rating process to the Unemployment Compensation Fund.
