Be it enacted by the People of the State of Maine as follows:

Sec. 1. 36 MRSA c. 908-B is enacted to read:

CHAPTER 908-B

PROPERTY TAX STABILIZATION FOR SENIOR CITIZENS

§6281. Stabilization of property taxes on homesteads of individuals 65 years of age or older

1. Definitions. As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings.

A. "Eligible homestead" means a homestead occupied by an eligible individual who is eligible for a homestead exemption under chapter 105, subchapter 4-B for the property tax year during which an application for stabilization is made.

B. "Eligible individual" means an individual who:

   (1) Is 65 years of age or older; and

   (2) Is a permanent resident of the State as defined in section 681, subsection 4 who has owned a homestead in the State for at least 10 years.

C. "Homestead" has the same meaning as under section 681, subsection 2.

D. "Stabilize" means to maintain the property tax billed to an eligible individual for the individual's eligible homestead at the amount billed for that homestead for the property tax year preceding the date of application for stabilization.

2. Application for stabilization. An individual may apply by December 1st to the municipality in which the individual's homestead is located requesting that the municipality stabilize the property tax assessed on that individual's homestead for the property tax year beginning on April 1st following the submission of the application. A new application is required for each year for which stabilization is requested.

3. Stabilization for eligible individual. If a municipality determines that an applicant for stabilization under subsection 2 is an eligible individual and that the individual's homestead is an eligible homestead, the municipality shall stabilize the property tax on the individual's homestead billed for the property tax year for which stabilization was requested.

4. Transfer of eligibility. If an eligible individual has been eligible for stabilization under this section and establishes a new homestead in the State, the individual continues to be eligible for stabilization. If an eligible individual establishes a new homestead in a different municipality, at the request of the eligible individual, the municipality where eligibility was first established shall notify the new municipality of the eligible individual's previous eligibility and the amount at which the property taxes were stabilized. The new municipality shall bill the eligible individual at the stabilized amount and is eligible for state compensation under subsection 5.

5. State compensation. A municipality that has stabilized property tax for an eligible individual under this chapter may recover from the State 100% of the amount by which the property tax assessed on the homestead of an eligible individual in the usual manner
exceeds the stabilized amount of property tax billed under subsection 3. A municipality
claiming compensation under this subsection shall submit a claim to the bureau by
November 1st of the year in which the property tax was stabilized. The bureau shall review
claims and determine the total amount to be paid to each municipality. The bureau shall
certify and the Treasurer of State shall pay the amount due to each municipality by January
15th of the year following the year in which the claim for compensation was submitted.

SUMMARY

This bill requires a municipality to maintain the property tax on the homestead of a
permanent resident who is at least 65 years of age at the amount billed in the year prior to
an application for stabilization. The amount by which the property tax assessed exceeds
the stabilized amount must be paid to the municipality by the State. If an eligible individual
moves to a different municipality, the stabilized property tax amount continues at the new
location. An applicant for stabilization must be a permanent resident of the State and must
have owned a homestead for at least 10 years. An application for stabilization must be
made each year to continue eligibility.
