1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 7 MRSA §4019, sub-§2-A** is enacted to read:

3 **2-A. Removal by other than authorized person.** After making reasonable efforts
4 to locate a motor vehicle's owner, a person other than an authorized person as defined in
5 subsection 1 may enter a motor vehicle to remove an animal if the person:

6 A. Notifies law enforcement or calls the E-9-1-1 system before entering the motor
7 vehicle;

8 B. Determines that the motor vehicle is locked and there is no other reasonable
9 means for exit and uses no more force than is reasonably necessary to enter the motor
10 vehicle and remove the animal;

11 C. Has a good faith belief, based upon known circumstances, that entry into the
12 motor vehicle is necessary because the animal's safety, health or well-being appears
13 to be in immediate danger from heat, cold or lack of adequate ventilation and the
14 conditions could reasonably be expected to cause extreme suffering or death; and

15 D. Remains with the animal in a safe location in reasonable proximity to the motor
16 vehicle until an authorized person as defined in subsection 1 arrives.

17 **Sec. 2. 7 MRSA §4019, sub-§3,** as amended by PL 2011, c. 288, §1, is further
18 amended to read:

19 **3. Immunity.** An authorized person who removes an animal from a motor vehicle
20 pursuant to subsection 1 or a person who removes an animal from a motor vehicle
21 pursuant to subsection 2-A is immune from criminal or civil liability that might otherwise
22 result from the removal.

23 **SUMMARY**

24 This bill allows a person who is not a law enforcement officer, humane agent, animal
25 control officer, firefighter, first responder or security guard to enter a vehicle and remove
26 an animal if the animal's safety, health or well-being appears to be in immediate danger.
27 The bill provides that a person who removes an animal from a vehicle under these
28 conditions is immune from criminal or civil liability.
