

# 130th MAINE LEGISLATURE

## FIRST REGULAR SESSION-2021

---

Legislative Document

No. 675

---

S.P. 262

In Senate, March 4, 2021

**An Act To Protect Maine Consumers from Unsupported Price  
Increases on Prescription Medicines by Creating an Independent  
Review Process**

---

Received by the Secretary of the Senate on March 2, 2021. Referred to the Committee on Health Coverage, Insurance and Financial Services pursuant to Joint Rule 308.2 and ordered printed.

A handwritten signature in black ink, appearing to read 'D M Grant'.

DAREK M. GRANT  
Secretary of the Senate

Presented by Senator CLAXTON of Androscoggin.  
Cosponsored by Senators: BRENNER of Cumberland, CURRY of Waldo, President  
JACKSON of Aroostook, LUCHINI of Hancock, MAXMIN of Lincoln, RAFFERTY of York,  
VITELLI of Sagadahoc.

1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 5 MRSA c. 166** is enacted to read:

3 **CHAPTER 166**

4 **PROTECTION OF CONSUMERS FROM UNSUPPORTED PRESCRIPTION**  
5 **DRUG PRICE INCREASES**

6 **§2035. Definitions**

7 As used in this chapter, unless the context otherwise indicates, the following terms  
8 have the following meanings.

9 **1. Consumer Price Index.** "Consumer Price Index" means the Consumer Price Index,  
10 Annual Average, for All Urban Consumers, CPI-U: U.S. City Average, All items, reported  
11 by the United States Department of Labor, Bureau of Labor Statistics, or its successor or,  
12 if the index is discontinued, an equivalent index reported by a federal authority or, if no  
13 such index is reported, "Consumer Price Index" means a comparable index chosen by the  
14 Bureau of Labor Statistics.

15 **2. Identified prescription drug.** "Identified prescription drug" means a prescription  
16 drug that has at any time been identified as having an unsupported price increase.

17 **3. Prescription drug.** "Prescription drug" has the same meaning as in Title 32, section  
18 13702-A, subsection 30.

19 **4. Prescription drug manufacturer.** "Prescription drug manufacturer" means a  
20 business operating in this State that manufactures prescription drugs for sale to another  
21 person or business in this State.

22 **5. Superintendent.** "Superintendent" means the Superintendent of Insurance within  
23 the Department of Professional and Financial Regulation.

24 **6. Unsupported price increase.** "Unsupported price increase" means an increase in  
25 price for a prescription drug for which there was no, or inadequate, new clinical evidence  
26 to support the price increase, as demonstrated by the analyses of prescription drugs  
27 prepared annually by the Institute for Clinical and Economic Review, or successor  
28 organization, and published in the institute's annual report on unsupported price increases.

29 **7. Wholesale acquisition cost.** "Wholesale acquisition cost" has the meaning stated  
30 in 42 United States Code, Section 1395w-3a.

31 **§2036. Sales of identified prescription drugs prohibited**

32 **1. Sales of identified prescription drugs prohibited; penalty.** A prescription drug  
33 manufacturer responsible for the sale of any identified prescription drug in this State  
34 commits a civil violation for which a fine must be adjudged as provided in this section.

35 A. The fine is assessed on the sales within the State of identified prescription drugs.

36 B. The fine in any calendar year is equal to 80% of the difference between the revenue  
37 generated by sales within the State of the identified prescription drugs and the revenue  
38 that would have been generated if the prescription drug manufacturer had maintained

1 the wholesale acquisition cost from the previous calendar year, adjusted for inflation  
2 using the Consumer Price Index.

3 C. In order for the fine to be assessed, a prescription drug manufacturer must have at  
4 least \$250,000 in total annual sales within the State in the calendar year for which the  
5 fine is assessed.

6 D. Within 60 days of the publication of the annual report on unsupported price  
7 increases by the Institute for Clinical and Economic Review, or successor organization,  
8 the State Tax Assessor shall identify the prescription drug manufacturers of identified  
9 prescription drugs. The State Tax Assessor shall notify each prescription drug  
10 manufacturer that sales within the State of identified prescription drugs are subject to  
11 the fine described in this section for a period of 2 calendar years following the identified  
12 prescription drug's appearance in the annual report on unsupported price increases by  
13 the Institute for Clinical and Economic Review, or successor organization.

14 E. A prescription drug manufacturer shall pay any fine adjudged under this section  
15 annually. Any manufacturer notified by the State Tax Assessor pursuant to paragraph  
16 D shall submit the information required by paragraph F on a form prescribed and  
17 furnished by the State Tax Assessor and pay the penalty by April 15th for the previous  
18 calendar year.

19 F. A prescription drug manufacturer notified by the State Tax Assessor pursuant to  
20 paragraph D shall provide, at a minimum, the following information to the State Tax  
21 Assessor:

- 22 (1) The total amount of sales of the identified prescription drug within the State;
- 23 (2) The total number of units sold of the identified prescription drug within the  
24 State;
- 25 (3) The wholesale acquisition cost of the identified prescription drug during the tax  
26 period and any changes in the wholesale acquisition cost during the calendar year;
- 27 (4) The wholesale acquisition cost of the identified prescription drug during the  
28 previous calendar year;
- 29 (5) A calculation of the fine owed; and
- 30 (6) Any other information that the State Tax Assessor determines is necessary to  
31 calculate the correct amount of the fine owed.

32 G. The failure by any prescription drug manufacturer to file the form required by  
33 paragraph E results in an additional fine of 10% of the fine calculated pursuant to  
34 paragraph B or \$50,000, whichever is greater.

35 **2. Fund established.** The Unsupported Prescription Drug Price Increases Fund,  
36 referred to in this section as "the fund," is established as a nonlapsing fund in the  
37 Department of Professional and Financial Regulation, Bureau of Insurance for the purposes  
38 specified in this subsection. The State Controller shall credit to the fund any fines assessed  
39 for violations of this chapter payable pursuant to this section. The fund must be used by the  
40 superintendent to offset costs to consumers. The superintendent may work in cooperation  
41 with other state agencies to determine the most effective method of optimizing the  
42 consumer benefit.

1           **3. Administrative costs.** Upon request from the State Tax Assessor, the  
2 superintendent may transfer money available in the fund to the State Tax Assessor for the  
3 administrative costs of performing the duty required by subsection 1, paragraph D. The  
4 superintendent may grant a request only upon finding that there will be no significant  
5 negative impact on the availability of funds to meet the requirements of subsection 2.

6           **4. Annual report.** Beginning June 1, 2023 and annually thereafter, the superintendent  
7 shall submit a report to the joint standing committee of the Legislature having jurisdiction  
8 over prescription drug matters that describes the amount of revenue from fines paid in  
9 accordance with subsection 1, segregated by manufacturer and identified prescription drug;  
10 the current amount available to the superintendent for the purposes described in subsection  
11 2; how the fine revenue has been used to benefit consumers pursuant to subsection 2; and  
12 any funds made available to the State Tax Assessor for administrative costs pursuant to  
13 subsection 3.

14           **§2037. Prohibition on withdrawal of identified prescription drugs for sale**

15           **1. Withdrawal from sale prohibited.** It is a violation of this chapter for any  
16 prescription drug manufacturer or distributor of an identified prescription drug to withdraw  
17 that prescription drug from sale or distribution within this State for the purpose of avoiding  
18 the fine set forth in section 2036.

19           **2. Notice required.** A prescription drug manufacturer who intends to withdraw an  
20 identified prescription drug from sale or distribution within the State must provide 180  
21 days' prior notice to the Attorney General of the withdrawal in order to avoid violation of  
22 section 2036, subsection 1.

23           **3. Penalty.** The Attorney General shall assess a penalty of \$500,000 on any entity,  
24 including any manufacturer or distributor of an identified prescription drug, that it  
25 determines has withdrawn an identified prescription drug from sale or distribution in this  
26 State in violation of this section.

27           **Sec. 2. Legislative findings; impact of price increases for prescription**  
28 **drugs.** In order to protect the safety, health and economic well-being of the residents of  
29 this State by guarding them from the negative and harmful impact of unsupported price  
30 increases for prescription drugs, the enactment of this Act is necessary and the Legislature  
31 finds that:

32           1. Access to prescription drugs is necessary for the residents of this State to maintain  
33 or acquire good health;

34           2. Unsupported price increases negatively impact the ability of residents of this State  
35 to obtain prescription drugs and thereby endanger the health and safety of residents of this  
36 State to maintain or acquire good health;

37           3. Unsupported price increases for prescription drugs threaten the economic well-being  
38 of residents of this State and endanger their ability to pay for other necessary and essential  
39 goods and services including housing, food and utilities;

40           4. Unsupported price increases for prescription drugs contribute significantly to a  
41 dramatic and unsustainable rise in health care costs and health insurance that threatens the  
42 overall ability of residents of this State to obtain health coverage and maintain or acquire  
43 good health;
