27 following terms have the following meanings.

28 A. "Batch elimination" means the simultaneous defeat of multiple candidates for  
29 whom it is mathematically impossible to be elected.

30 B. "Continuing ballot" means a ballot that is not an exhausted ballot.

31 C. "Continuing candidate" means a candidate who has not been defeated.

32 D. "Exhausted ballot" means a ballot that does not rank any continuing candidate,  
33 contains an overvote at the highest continuing ranking or contains 2 or more sequential  
34 skipped rankings before its highest continuing ranking.

35 E. "Highest continuing ranking" means the highest ranking on a voter's ballot for a  
36 continuing candidate.

37 F. "Last-place candidate" means the candidate with the fewest votes in a round of the  
38 ranked-choice voting count.

39 G. "Mathematically impossible to be elected," with respect to a candidate, means  
40 either:

1           (1) ~~The~~ In an election other than an open primary election, the candidate cannot  
2           be elected because the candidate's vote total in a round of the ranked-choice voting  
3           count plus all votes that could possibly be transferred to the candidate in future  
4           rounds from candidates with fewer votes or an equal number of votes would not  
5           be enough to surpass the candidate with the next-higher vote total in the round; ~~or~~  
6           (1-A) In an open primary election, the candidate cannot be elected because the  
7           candidate's vote total in a round of the ranked-choice voting count plus all votes  
8           that could possibly be transferred to the candidate in future rounds from candidates  
9           with fewer votes or an equal number of votes would not be enough to surpass the  
10          2 candidates with higher vote totals in the round; or  
11          (2) The candidate has a lower vote total than a candidate described in subparagraph  
12          (1) or (1-A).

13          H. "Overvote" means a circumstance in which a voter has ranked more than one  
14          candidate at the same ranking.

15          H-1. "Ranked-choice voting count" means the ranked-choice counting process  
16          described in this section and in rules adopted by the Secretary of State.

17          I. "Ranking" means the number assigned on a ballot by a voter to a candidate to express

25          subsections 3 and 4, the following procedures are used to determine the winner of an  
26          election determined by ranked-choice voting that is not an open primary election. The  
27          ranked-choice voting count must proceed in rounds. In each round, the number of votes  
28          for each continuing candidate must be counted. Each continuing ballot counts as one vote  
29          for its highest-ranked continuing candidate for that round. Exhausted ballots are not  
30          counted for any continuing candidate. The round then ends with one of the following 2  
31          potential outcomes.

32                  A. If there are 2 or fewer continuing candidates, the candidate with the most votes is  
33                  declared the winner of the election.

34                  B. If there are more than 2 continuing candidates, the last-place candidate is defeated  
35                  and a new round begins.

36          **2-A. Procedures in open primary election.** Except as provided in subsections 3-A  
37          and 4, the following procedures are used to determine the winner of an open primary  
38          election determined by ranked-choice voting. The ranked-choice voting count must  
39          proceed in rounds. In each round, the number of votes for each continuing candidate must  
40          be counted. Each continuing ballot counts as one vote for its highest-ranked continuing  
41          candidate for that round. Exhausted ballots are not counted for any continuing candidate.  
42          The round then ends with one of the following 2 potential outcomes.

1           A. If there are 3 or fewer continuing candidates, the 2 candidates with the most votes  
2           are declared the winners of the open primary election.

3           B. If there are more than 3 continuing candidates, the last-place candidate is defeated  
4           and a new round begins.

5           **3. Ties in election that is not open primary election.** A tie ~~under this section~~ between  
6 last-place candidates in an election determined by ranked-choice voting that is not an open  
7 primary election in any round other than the final round must be decided by lot, and the  
8 candidate chosen by lot is defeated. The result of the tie resolution must be recorded and  
9 reused in the event of a recount. A tie between candidates for the most votes in the final  
10 round must be decided as provided in section 732.

11           **3-A. Ties in open primary election.** A tie between the 2nd-place and 3rd-place  
12 candidates in an open primary election in any round must be decided by lot, and the  
13 candidate chosen by lot is defeated. The result of the tie resolution must be recorded and  
14 reused in the event of a recount. A tie between the top 2 candidates in the final round of  
15 an open primary election need not be resolved.

16           **4. Modification of ranked-choice voting ballot and ranked-choice voting count.**  
17 Modification of a ranked-choice voting ballot and ranked-choice voting count is permitted  
18 in accordance with the following.

19           A. The number of allowable rankings may be limited to no fewer than 5.

20           B. Two or more candidates may be defeated simultaneously by batch elimination in  
21 any round of counting.

22           **5. Effect on rights of political parties.** For all statutory and constitutional provisions  
23 in the State pertaining to the rights of political parties, the number of votes cast for a party's  
24 candidate for an office determined by ranked-choice voting is the number of votes credited  
25 to that candidate after the initial counting in the first round described in subsection 2.

26           **5-A. Rules.** The Secretary of State shall adopt rules for the proper and efficient  
27 administration of elections determined by ranked-choice voting. At a minimum, rules  
28 required under this subsection must include procedures, as determined appropriate by the  
29 Secretary of State, for requesting and conducting recounts of the results as determined in  
30 the rounds of counting described in subsection 2. Rules adopted pursuant to this subsection  
31 are routine technical rules as defined by Title 5, chapter 375, subchapter 2-A.

37           **Sec. 40. 21-A MRSA §732, sub-§1,** as corrected by RR 2019, c. 2, Pt. B, §58, is  
38 amended to read:

39           **1. Primary election.** In a primary election other than an open primary election, the  
40 Secretary of State shall notify each person involved in the tie to be present at the Secretary  
41 of State's office at a certain time. At that time, the Secretary of State shall select the  
42 nominee publicly by lot.

1 qualified voters, regardless of enrollment status, are eligible to vote in open primary  
2 elections.

3 The votes in an open primary election must be tabulated using ranked-choice voting,  
4 except that the 2 candidates who receive the most votes are declared the winners of the  
5 open primary and their names must appear on the ballot for the general election. If one of  
6 the 2 candidates who received the most votes at the open primary dies or becomes  
7 disqualified before the general election, that candidate's name must remain on the ballot  
8 and the voters must be notified that a vote for that candidate will be counted and, if that  
9 candidate is declared the winner of the election, a vacancy will be declared at the beginning  
10 of the term of the office for which the candidate was elected. Voters may not vote for a  
11 write-in candidate in a general election that was preceded by an open primary election. As  
12 a result, ranked-choice voting will no longer be used in general elections for United States  
13 Senator and United States Representative to Congress. Instead, the candidate who receives  
14 a plurality of votes at the general election will be elected to those offices.

15 The bill also changes the date of the State's presidential primary election from the  
16 Tuesday after the first Monday in March to the 2nd Tuesday of June of the presidential  
17 election year, the same day that the primary elections for United States Senator, United  
18 States Representative to Congress and state offices are held.
