30 SUMMARY

31 This bill makes changes to the law relating to specialty license plates. The bill lowers
32 the number of signatures a sponsor of a proposed specialty license plate is required to
33 submit to the Secretary of State from 2,000 to 1,000. The bill provides that, if the sum of
34 contributions from supporters of a proposed specialty license plate is less than \$50,000, the
35 sponsor is required to provide the difference between the amount collected and \$50,000 to
36 the Secretary of State. The bill also increases from 2 years to 3 years the amount of time
37 allowed for a sponsor to collect signatures of supporters of a proposed specialty license
38 plate before submission to the Secretary of State. The bill also provides that these changes
39 apply retroactively to September 1, 2019 so that the changes apply to sponsors currently in
40 the 2-year window of meeting the specialty license plate requirements.
