17 **SUMMARY**

18 This bill eliminates the requirement that the State Fire Marshal inspect a family foster
19 home and certify that it meets all elements of the fire safety code before the Department
20 of Health and Human Services may issue a license to operate as a family foster home.
21 The bill moves the inspection responsibility to the Department of Health and Human
22 Services, which is directed to adopt rules governing the method of inspection.
