12 U. If an individual is deceased, to a member of the individual's immediate family
13 upon request of the immediate family member. For purposes of this paragraph,
14 "immediate family" means a spouse, parent or adult who is a child, grandchild or
15 sibling of the individual and includes the parent or guardian of a minor child of the
16 deceased when there is documented need for parental medical history for the health
17 and well-being of that minor child.

18 **SUMMARY**

19 This bill requires a health care practitioner or facility to provide health care
20 information of a deceased person to an immediate family member upon request of the
21 family member, including the parent or guardian of a minor child of the deceased when
22 there is documented need for parental medical history for the health and well-being of
23 that minor child.
