SUMMARY

This bill allows the sale of alcohol to persons who are on municipally owned property that is not contiguous to the licensed premises of a person licensed to sell spirits, wine or malt liquor for on-premises consumption as long as certain conditions are met, such as approval by the municipality, the exercise of control over the noncontiguous real estate by the licensee, restricting to employees of the licensee the sale of alcohol and limiting the time during which alcohol may be sold on the noncontiguous real estate. The bill also permits the public to travel between the licensed premises and noncontiguous real estate.
