7 Amend the bill by relettering or renumbering any nonconsecutive Part letter or section  
 8 number to read consecutively.

9

**SUMMARY**

10 This amendment replaces the bill and repeals the prohibition on medical marijuana  
 11 collectives in order to permit caregiver cooperatives to operate. The amendment allows  
 12 caregiver cooperatives that have obtained a registration certification to engage in all of the  
 13 same activities authorized for registered caregivers. It establishes requirements on the  
 14 membership and activities of a caregiver cooperative. The amendment provides for  
 15 labeling, marketing, tracking, record keeping, inspections, incident and illegal activity  
 16 reporting and procedures for suspending or terminating the registration certificates of  
 17 caregiver cooperatives, in addition to mirroring for caregiver cooperatives other  
 18 requirements of or protections for registered caregivers.

19 Current law allows medical marijuana caregivers to engage in conduct or activities  
 20 together for the benefit of a mutual qualifying patient, under an employer and assistant  
 21 relationship and when sharing common areas. This amendment preserves authorization for  
 22 engaging in that conduct and those activities. The amendment also adds an appropriations  
 23 and allocations section.
