18 **SUMMARY**

19 This amendment replaces the bill and is the majority report of the committee. The  
20 amendment provides that a licensed sales representative may provide spirits for a taste  
21 testing at an agency liquor store. The agency liquor store must indicate that a sales  
22 representative will be providing the product and verify that the sales representative has  
23 successfully completed an alcohol server education course when it requests authorization  
24 to conduct a spirits tasting event. Spirits provided by a sales representative must be  
25 purchased at the regular retail price from the agency liquor store where the tasting will  
26 take place. Under the provision of law governing licensed sales representatives, the  
27 amendment adds the requirement that a sales representative who provides spirits for a  
28 consumer tasting at an agency liquor store must have successfully completed an alcohol  
29 server education course. The amendment also makes a technical correction to existing  
30 law governing licensed sales representatives.
