SUMMARY

14 This amendment, which is the unanimous report of the committee, requires the
15 Department of Health and Human Services to amend its rules in Chapter 101: MaineCare
16 Benefits Manual, Chapter II, Section 60 to reimburse ostomy equipment and supplies at no
17 less than 85% of the federal Medicare reimbursement rate as long as the rate is no lower
18 than the rate reimbursed by the department as of January 1, 2021. The amendment removes
19 the prohibition on requiring a prior authorization. It also provides reimbursement for
20 ostomy equipment and supplies when prescribed or recommended by an authorized health
21 care practitioner, not just a physician.
