**STATE OF MAINE
HOUSE OF REPRESENTATIVES
131ST LEGISLATURE
FIRST SPECIAL SESSION**

COMMITTEE AMENDMENT “ ” to H.P. 486, L.D. 797, “Resolve, to Authorize the Conveyance of Real Property to the Capitol Area Recreation Association”

Amend the resolve by inserting after the first paragraph after the title the following:

Whereas, the Capitol Area Recreation Association holds a lease from the Department of Agriculture, Conservation and Forestry, Bureau of Parks and Lands on approximately 60 acres of nonreserved public lands in Augusta, Kennebec County, Maine for the purpose of nonprofit recreational uses; and

Whereas, the Capitol Area Recreation Association has significant investments in development of the leased premises for baseball, softball, soccer, lacrosse, horseshoes and other recreational uses and has requested that the Bureau of Parks and Lands convey to the Capitol Area Recreation Association fee title of the leased premises; and

Whereas, the Bureau of Parks and Lands receives no revenue from the lease and conveying the fee title will reduce the cost and burden of administrative oversight of the lease; and

Whereas, the Viles Arboretum leases from the Bureau of Parks and Lands an adjacent parcel of nonreserved public lands for the purpose of conservation, environmental education and nature-based recreation; and

Whereas, the Viles Arboretum wishes to limit impacts, such as noise and lighting, on the values and use of the Viles Arboretum leased premises; and

Whereas, the Bureau of Parks and Lands owns, but does not maintain, Piggery Road, which is a critical access route for the Capitol Area Recreation Association; and

Whereas, Piggery Road presently divides the Capitol Area Recreation Association leased premises from the Viles Arboretum leased premises and Piggery Road also provides access to the Viles Arboretum leased premises; and

Whereas, the Department of the Secretary of State, Bureau of Motor Vehicles has management responsibility for the nonreserved public lands westerly of the Capitol Area
