SUMMARY

This amendment replaces the bill. The amendment provides that, beginning July 1, 2025, housing assistance is limited to a maximum of 12 months in a 36-month period. Current law provides that individuals eligible for emergency general assistance, including individuals experiencing or facing homelessness, and certain individuals with severe and persistent mental or physical conditions are exempt from this limitation. The amendment also requires the Department of Health and Human Services to reimburse municipalities and Indian tribes 75% of the direct costs incurred by that municipality or tribe for costs incurred on or after July 1, 2025 and before July 1, 2027 and that beginning July 1, 2027, the department must reimburse each municipality and each Indian tribe 80% of the direct costs incurred by that municipality or tribe for costs incurred on or after July 1, 2027. Finally, the amendment removes the requirement that the department, beginning July 1, 2025, provide overseers access to an Internet-based, real-time database containing the information necessary to properly determine eligibility of an applicant for general assistance.
