5 SUMMARY

1 2

This amendment, which is the majority report of the committee, replaces the bill. It clarifies that a candidate for county sheriff must either be currently certified as a law enforcement officer and in compliance with the training requirement in the Maine Revised Statutes, Title 25, section 2804-C or be a previously certified law enforcement officer who agrees to meet the requirements of Title 25, section 2804-C within one year of taking office. It requires all county sheriffs to continually meet the in-service law enforcement training standards under Title 25, section 2804-E and any other statutory requirements of preservice, basic or in-service law enforcement training required for certification or continued certification as a law enforcement officer. It provides that a full-time law enforcement officer employed by a municipal police department or state agency before July 1, 1990 is deemed to have met the minimum qualifications for county sheriff candidates.
