SUMMARY

This amendment replaces the bill and removes the emergency preamble and emergency clause. It creates a new learner's permit issuance subsection in statute that identifies the Secretary of State as the only entity allowed to collect learner's permit fees and application materials, administer an examination for a learner's permit and issue a learner's permit. The amendment contains transition language that allows the Secretary of State or an individual affiliated with an approved driver education course to collect fees and application materials until October 1, 2014 and to administer exams until January 1, 2015.
