**SUMMARY**

9           This amendment replaces the bill with a resolve. The bill establishes an ongoing  
10 program funded by a portion of sales tax on adult use cannabis and adult use cannabis  
11 products. The amendment instead establishes a 2-year pilot program using General Fund  
12 money for the same purpose of providing physical and mental health services specific to  
13 public safety employees as in the bill and for the same population of public safety  
14 employees as in the bill.
